Seven Falls Hike

- Doesn't this picture look beautiful?
- Wouldn't you like to hike here?
- Even better: wouldn't you like to hike here with other biochemistry students and relax on a Saturday morning??

GOOD NEWS: You can! February 16th is the

Biochem.

Hike!! We will be meeting in the Zone 1 parking lot just south of BSW (in lot 5078) at 9:00 am and then head to

Seven Falls (in Bear Canyon). We'll be hiking until 3pm or so. This is the first social of the semester and it should be really fun so take a break from your busy schedule and get outside for a while!!

How do I...

Join the Relay for Life Team?

-Go to relayforlife.org, search for an event by Tucson, and find the University of Arizona event in April.

-Join a team: click the link and search "biochemistry"; we should be the only team to come up!

-Register; it takes about 5 minutes, and you only pay \$10 for a registration fee (and it pays for a T-shirt)

-Relay is April 18th-19th

T-Shirt Design!

We have a great shirt design, but it has not changed in many years. We're trying to find a new design for 2008-2009. We're calling out to anyone with a creative bend to help us design our new shirt. Once we have a few options, we'll vote as a club and pick the new shirt design!! Send any submissions to megcraig@email.arizona.edu. The file type does not matter for now, just let us see your ideas!
