

MARC BIOMEDICAL RESEARCH COLLOQUIUM: 2008-09

Fall 2008

BSW Rm 208

Mondays, 4:00 to 4:50 PM

August 25, 2008

Introduction/Study Skills

September 1, 2008

Labor Day - No Class

September 8, 2008

Marc Tischler

Biochemistry & Molecular Biophysics

University of Arizona

Muscle Atrophy

September 15, 2008

Mark Lawson, PhD

Reproductive Medicine

University California San Diego

<http://repromed.ucsd.edu/faculty/rmlawson.html>

Reproductive hormone signaling and gene regulation in the pituitary

September 22, 2008

Current MARC Trainees

Androuw Carrasco

Danah Huerta

September 29, 2008

George Hill, PhD (canceled)

Associate Dean

Diversity in Medical Education

Vanderbilt University School of Medicine

http://www.mc.vanderbilt.edu/medschool/diversity/about_assoc_dean.php

Replaced with Dr. Tischler answering questions about careers and postgrad applications

October 6, 2008

Oveta Fuller, PhD

Microbiology and Immunology

University of Michigan

<http://www.answers.com/topic/a-oveta-fuller>

Innovation, Purpose, Courage and Truth: Exploring Human Viral Pathogens

October 13, 2008

Russell Debose-Boyd, PhD

Biophysics and Molecular Genetics

University of Texas, Southwestern

<http://www8.utsouthwestern.edu/findfac/research/0,2357,34046,00.html>

http://www.eurekalert.org/pub_releases/2006-07/usmc-uss072506.php

October 20, 2008

Current MARC Trainees

Cassandra Andrade

Kevin Keys

October 27, 2008

Veronica Gonzalez

Doctoral Student – Former MARC Trainee

Pharmacology & Toxicology Program

November 3, 2008

Current MARC Trainees

Jessica Brown

David Durazo

November 10, 2008

Linda Sandell, PhD

Orthopedic Surgery

Washington University, St. Louis

<https://www.siteman.wustl.edu/DoctorProfile.aspx?Type=Research&memid=559>

November 17, 2008

Chris Cabello

Doctoral Student – Former MARC Trainee

Pharmaceutical Sciences Program

<http://www.pharmacy.arizona.edu/about/profile.php?p=81>

November 24, 2008

Irene Alvarez

Doctoral Student – Former MARC Trainee

Pharmaceutical Sciences Program

December 1, 2008

ABRCMS meeting discussion
