

MARC BIOMEDICAL RESEARCH COLLOQUIUM: 2011-12

Fall 2011

BSW Rm 208

Mondays, 4:00 to 4:50 PM

August 22, 2011

Introduction/Study Skills

August 29, 2011

Marc E. Tischler, PhD

Discussion about admission to programs: (selecting programs; process; interviews; experiences)

Professional Schools and How you get There

September 5, 2011

Labor Day – No Class

September 12, 2011

Christina Bischoff

MARC Trainee – Dr. Greg Dussor's lab

Pharmacology

Lauren O'Neill

MARC Trainee – Dr. Linda Restifo's lab

Neurosciences

September 19, 2011

Karen Peralta

MARC Trainee – Dr. Mary Alt's lab

Speech, Language, Hearing Science

Joey Quiroz

MARC Trainee – Dr. Besty Dokken's lab

Medicine

September 26, 2011

Judy Cameron

Dept of Psychiatry

University of Pittsburgh

Everyday Life Stresses: Who is Stress-Sensitive, Who is Stress-Resilient

www.biochem.arizona.edu/marc/JC-Bio.pdf

October 3, 2011

Madeline Hart

MARC Trainee – Dr. Tsu-Shuen Tsao's lab

Chemistry & Biochemistry

Miles Lucero

MARC Trainee – Dr. Richard Bootzin's lab

Psychology

October 10, 2011

Andi Akpan

MARC Trainee – Dr. Li Wen-Lai's lab

Chemistry & Biochemistry

Erica Pursell

MARC Trainee – Dr. Jonathan Vande Geest's lab
Aero/Mechanical Engineering

October 17, 2011

Chris Cowan

Depts of Psychiatry and Ophthalmology
University Texas, Southwestern

Brain Mechanisms of Drug Addiction

www.utsouthwestern.edu/findfac/research/0,2357,78546,00.html

October 24, 2011

Mary Alt

Speech, Language Hearing Science
University Arizona

<http://slhs.arizona.edu/bios/mary-alt-phd>

October 31, 2011

Greg Dussor

Pharmacology
University Arizona

www.pharmacology.arizona.edu/faculty/dussor.cfm

November 7, 2011

Jon Houtman

Microbiology
University of Iowa

The Role of Fak in T Cell Activation: How Being Wrong is Sometimes a Good Thing

www.uiowa.edu/microbiology/houtman.shtml

November 14, 2011

Brittany Martin-Murphy

Toxicology
University of Colorado Medical Campus - Denver

November 21, 2011

Betsy Dokken

Medicine
University of Arizona

www.msrp.medicine.arizona.edu/sponsors/dokken-betsy.htm

November 28, 2011

Susana Gonzalo

Radiation Oncology; Cell Biology & Physiology
Washington University at St. Louis

<http://radonc.wustl.edu/research/CancerBio/Gonzalo/index.aspx>

December 5, 2011

Mark Lawson

Reproductive Medicine
University California, San Diego

Exploring the connection between physiological and cellular stress in the neuroendocrine control of reproduction

<http://repromed.ucsd.edu/divisions/endocrinology/lawson.shtml>
